- (d) Name the accounting principles which Abhinav ignored in **each** of the following.

- (i) Abhinav decided that the profit would increase if he changed the method of depreciation on fixtures from the straight line method to the reducing (diminishing) balance method.

.....[1]

- (ii) Abhinav decided that the retirement of the manager would adversely affect the business, so he reduced the profit for the year by \$5000.

.....[1]

- (iii) Abhinav recorded a sale of goods to Wahid who had seen goods on display in the shop window and promised to return the following week with the cash.

.....[1]

- (iv) Abhinav intends to trade for several years but decided to record his motor vehicle at the possible sale value rather than the book value.
