### Pages 20, 21, 23 and 34

References to forms ‘in the Appendix’ (which appeared in syllabuses pre-2016) have been removed. The forms may now be downloaded from [www.cie.org.uk/samples](http://www.cie.org.uk/samples). The database will ask you for the syllabus code (i.e. 0500 or 0522) and your Centre number, after which it will take you to the correct forms. Follow the instructions when completing each form.

### Page 26 Section 7.1.1 Component 4 Coursework Portfolio

The information in ‘4 Drafting assignments’ has been clarified as follows:

- In order to allow candidates to demonstrate their abilities to the full, teachers must **not** provide candidates with any kind of template for their coursework.

### Page 36 Section 7.2.2 Administrative arrangements

The fifth bullet under ‘7 Recording of candidates’ has been amended and separated to read as follows:

- Once a test has begun, **do not interrupt or repeat the recording**. On no account should you stop and re-start the recording during a test.
- The speaking and listening test cannot be repeated in the same examination series. If a Centre has a specific query about this, they should contact Cambridge at [info@cie.org.uk](mailto:info@cie.org.uk)
- The contents of each CD must be clearly labelled. Before the set of recordings is sent to Cambridge, make spot checks to ensure every candidate can be clearly heard.

The third sentence of the final bullet under ‘7 Recording of candidates’ now reads:

‘Both sides of each cassette should be used before beginning a new cassette and the contents of each should be clearly labelled.’
