

FOOD AND NUTRITION

Cambridge International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0648 (Food and Nutrition) in the October/November 2013 examination.

| | maximum mark available | minimum mark required for grade: | | | |
|--------------|------------------------|----------------------------------|----|----|----|
| | | A | C | E | F |
| Component 2 | 100 | 75 | 56 | 38 | 28 |
| Component 11 | 100 | 68 | 48 | 37 | 30 |
| Component 12 | 100 | 66 | 46 | 36 | 30 |
| Component 13 | 100 | 68 | 48 | 37 | 30 |

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is **200**.

The overall thresholds for the different grades were set as follows.

| Option | Combination of components | A* | A | B | C | D | E | F | G |
|--------|---------------------------|-----|-----|-----|-----|----|----|----|----|
| X | 02, 11 | 163 | 143 | 123 | 104 | 89 | 75 | 58 | 41 |
| Y | 02, 12 | 161 | 141 | 121 | 102 | 88 | 74 | 58 | 42 |
| Z | 02, 13 | 163 | 143 | 123 | 104 | 89 | 75 | 58 | 41 |

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
