

MARK SCHEME for the October/November 2012 series

0685 FRENCH

0685/04

Paper 4 (Continuous Writing), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2012 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

Page 2	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

Total marks for paper: 50

25 marks per question. Each question is marked over a maximum of 140 words.

1 Communication: 5 marks

Put a stroke in the left hand margin for each of the 5 relevant points.
Record 0 for a failure to score a point.

2 Language: 15 marks

Examiners are required to award ticks beside each Marking Unit which is substantially correct. Errors are not to be indicated. The total number of ticks should be recorded at the foot of the page and converted to a mark out of 15 using the Conversion table at the end of the mark scheme.

3 General Impression: 5 marks

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive qualities, such as unusually good vocabulary or ambitious use of language, or by negative qualities, such as excessive repetition. Indicate positive qualities by a plus sign and negative qualities by a minus sign in the right-hand margin.

- 0–1** Does not rise above the requirements for the Directed Writing Task in Paper 2.
- 2** Fairly good use of idiom, vocabulary, structures and appropriate tenses.
- 3** Good use of the above.
- 4** Very good use of the above.
- 5** Excellent use of the above.

Recording of marks

Marks should be recorded at the end of the answer as follows:

Communication	+	Language	+	General Impression	=	Total
E.g. 4/5		+ 10/15		+ 3/5		= 17/25

Enter each of the two marks on the front of the Script and record the total out of 50.

Please ensure that these marks are checked carefully, especially the conversion of ticks to marks for Language.

Counting words

- (a) In letters ignore any address or date. Ignore also any title. No marks may be gained for the
- (b) Count up to exactly 140 words. Award no more marks thereafter, either for Communication or Language. But see note (e).
- (c) Our definition of a word is a group of letters surrounded by a space. Count the number of words **as it should be**, not necessarily as it is written. A group of letters containing a hyphen or an apostrophe is regarded as one word.

parceque (sic) = two words

l'homme = one word

Qu'est-ce que c'est? = three words

parce-que (sic) = two words

la dame = two words

Il y a = three words

Y a-t-il...? = two words

- (d) All numbers count as one word each whether written as figures or as words.

21 = one word

Vingt et un is treated as one word

- (e) When the 140th word splits a Marking Unit, award a tick for the unit if correct in spite of (b).

...avec || mon ami. Record a tick for 'avec'.

Plus || tard. Record a tick after 'plus'.

Il a || fini. Record a tick after 'Il a'.

Les petits || enfants. Record a tick after 'petits'.

- (f) Indicate the 140th word by ||.
- (g) Proper nouns count as one word and do not score ticks for language, e.g. Nouvelle Zélande, Etats-Unis, Haute Savoie, Charles de Gaulle, Afrique du Sud, New York, Avenue des Champs Elysées and book and film titles etc.
- (h) In letters count a maximum of **2** words only for the addressee as in *Cher Monsieur Dupont*.

Irrelevant material

In the case of a deliberately evasive answer which consists entirely of irrelevant material exploited in defiance of the rubric, a score of 0/25 is given. These are rare in IGCSE. The genuine attempt to answer the question which fails due to a misunderstanding of the rubric will normally lose Communication marks but will score for Language and Impression.

When part of an answer is clearly irrelevant, include such material in the word count, but bracket it and award no Language marks. (e.g. Bracket and include in the word count an introduction to a question consisting of an unwanted self portrait on the lines of: 'Bonjour. Je m'appelle X. J'ai 16 ans. J'habite Y. etc.')

Page 4	Mark Scheme	Syllabus	
	IGCSE – October/November 2012	0685	

Repetition of material printed in the rubric

The following list of words lifted **unchanged** from the rubric will not be rewarded with language ticks.

Question 1(a) *récemment; à l'avenir; beaucoup d'enfants*

Question 1(b) *la semaine dernière; à l'avenir; dans un pays où le climat est différent*

Question 2 *une soirée difficile; du babysitting*

MARKS FOR RELEVANT COMMUNICATION

General principles

(a) Do not award Communication Marks when the required elements are expressed in inappropriate time frames:

- e.g. *L'an dernier je voyage en France* = 0 for Communication. *Je voyage* does not receive a tick for Language. (The other elements are marked in the usual way.)

However reward a Present where a Future context is apparent:

- e.g. *L'an prochain je voyage en France* = 1 for Communication. *Je voyage* receives a tick for Language.

(b) Disallow for Communication the use of the Infinitive or the Past Participle when a finite verb is required

- e.g. *Je passé les vacances* = 0 for Communication and Language
Je passer les vacances = 0 similarly
Je veux (1) mange (0) = 0 for Communication

However award a Communication mark for 'phonetic versions' such as:

- J'ai passer (sic) les vacances* = 1
Les gens pense/pensait que = 1
Il a commencé à joué = 1 for communication
(Il a commencé à joue = 0 for communication)

Non-phonetic versions do not score for Communication:

- J'ai vendre* = 0
Les gens est = 0
Il et venu = 0
Il a était = 0
C'était = 0

(c) Tolerate and accept for Communication (but not for Language) the use of any past tenses when a past is required, even when a different past tense would be correct. Allow Perfect, Imperfect, Pluperfect or Past Historic. The Past Historic will only be rewarded in a narrative. Ignore inconsistency of the Perfect and Past Historic if it occurs. Accept for Communication the use of a Future when a Conditional would be correct and vice versa.

Disallow the 'historic present' for Communication and Language.

(d) Tolerate and allow for Communication the use of *avoir* with a past participle when *être* is correct

- e.g. *J'ai resté en France* may score

However disallow for communication:

- e.g. *Je suis mangé* = 0; *J'étais peur* = 0; *J'avais fatigué* = 0

(e) Bracket and exclude from the word count any letter etiquette when a letter is not asked for.

(f) A Communication mark may only score if it occurs in the first 140 words.

Page 6	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

(g) When two 'reactions' are required in Question 2 and they are expressed as a list, e.g. *triste et fatigué* or *C'était intéressant et amusant*, award one communication mark only. However, if a verb is used, e.g. *J'étais triste[...]J'étais fatigué*, award two communication marks.

(h) As with Language marks (see page 9) all errors of accent or punctuation are ignored for Communication except for the accent on a past participle of –er verbs:

- e.g. *il a joue* = 0 (as a failed perfect tense)
- e.g. *il joué* = 0 (as a failed present tense)

Insist on an accent when an adjective is also a past participle:

- e.g. *il était (1) fatigue* = 0

Tolerate a grave accent for an acute accent:

- e.g. *il a jouè* = 1

Page 7	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

A maximum of 5 marks is available for each question. Marks are to be awarded for the following points:

QUESTION 1

Question 1(a): article about candidate and his/her family

Exceptionally include in word count and reward with ticks introductions such as *Je m'appelle X* and *J'ai 16 ans*. Further personal details (e.g. *Je suis élève au collège* etc): include in word count but do not tick.

- (i) **Description of candidate's family** 1
Nous habitons Paris / J'habite Londres avec ma famille: tick for language but do not award communication marks
 Excessive repetition in description of family members (eg *s'appelle*, ages, *mon/ma/mes*): reduce mark for impression by 1 (NB given the nature of this writing task, only make reduction if repetition really is excessive)
Ma famille est sympa: reward for communication
Ma famille consiste de: do not tick *de* for language

- (ii) **Is candidate's family important to him/her** 1
Ils + verb following *famille*: tick for language
 Mention of any member of the family as being important (e.g. *Ma mère est très importante dans ma vie*): reward for communication
Ma famille est fantastique parce qu'ils m'aident: reward (ii) and +(ii) for communication

- (iii) **What the candidate has done recently with his/her family** 1
 1 activity is enough to score the communication mark
 Reward the present tense with ticks for language. To score the communication mark, past tenses are required
Nous sommes allés à la plage avec ma famille: tick *avec ma famille* for language

- (iv) **Whether the candidate would like many children in the future** 1

One reason why for either (ii) or (iv) (record in margin as +(ii) or +(iv)) 1
J'aime ma famille tc or *J'aime les enfants* tc: accept as reason
...ils me supportent: reward for communication and tick for language

Question 1(b): article about the weather in candidate's country

- (i) **Description of the weather last week** 1
Le temps était ✓/a été ✓ beau ✓: reward for communication
Le temps faisait (0) beau ✓: do not reward for communication

- (ii) **Which time of year the candidate prefers** 1
Je préfère en hiver: reward for communication

- (iii) **Description of effect of climate on people's way of life** 1
 1 effect is enough to score the communication mark

- (iv) **Whether candidate would like to live in a country with a different climate** 1

One reason why for either (ii) or (iv) (record in margin as +(ii) or +(iv)) 1

Page 8	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

QUESTION 2: a difficult evening babysitting

Start awarding communication marks from when the babysitting begins.

Introduction which explains how/why/when the narrator was required to do the babysitting: tick for language but do not award communication marks.

Je suis arrivé à 8h / Les parents sont sortis à 9h: tick for language but do not award communication marks.

For (i) and (ii), insist on a problem and an attempt to solve it for communication marks. Solutions should be considered for reward even if the problem itself cannot score for communication.

- (i) The problems the candidate had and how s/he tried to solve them** 1
- Les enfants avaient peur / Les enfants étaient choqués*: reward as problems
- Elle a dit qu'elle ne veut pas manger*: reward for communication (*veut* is not ticked for language)
- Il a cassé la jambe*: reward for communication
- Donner une douche/un bain à quelqu'un*: reward for communication and tick for language
- J'ai fait du babysitting pour un enfant qui s'appelle Louis. Il a 6 ans*: tick present tenses for language
- Crier* used instead of *pleurer*: tick for language
- (ii) How s/he tried to solve them** 1
- (iii) Reactions to events** 1 + 1
- Babysitter's / babysitters' reactions only are rewarded
- Soulagé, je suis rentré chez moi*: accept as reaction even though the reaction is not expressed with a finite verb
- C'était une soirée (vraiment) difficile*: accept as a reaction
- One further mark for either (i) or (ii)** 1

LANGUAGE MARKS

General comments

This positive marking scheme is intended to reward both accuracy and ambition. No marks are deducted for errors.

Marking units

A tick is awarded for a correct Marking Unit of which each element is correct. The tick is recorded over the scoring word e.g. *mon* (1) *ami*

A Marking unit may consist of the correct use of any of the following items:

- A noun or pronoun + verb. Extra marks are available for the use of negative expressions and the interrogative.
- A verb used as an infinitive, with or without a preposition
- A noun or pronoun + adjective or adjectival phrase or partitive
- A noun or pronoun + preposition or prepositional phrase
- Any pronoun other than subject pronouns and reflexives
- All adverbs (except *très* and *bien*)
- All conjunctions (except *et* and *mais*)

See below for details.

Inaccuracies in the use of Accents, Hyphens and Punctuation are ignored.

E.g. *Mon pere* = 1 tick. *Son grandpere* = 1 tick. *Aujourdhui* = 1 tick. *Il ma vu* (sic) = 2 ticks
L'ami Anglais = 1 tick. *Il à tête phoné* (sic) = 1 tick. *Il a du partir* = 2 ticks.

An exception is made with *-er* verbs and *être* (*été*). We insist on the accent on the past participle in a compound tense and the absence of such an accent in the present tense.

E.g. *Il a parle* = 0. *Il parlé* = 0. *Il a parlé/parlè* = 1. *Il a éte* = 0

Insist on accents on past participles used as adjectives, e.g. *Il est (1) casse (0)*. *Il est (1) fatigue (0)*.

No credit is given in cases such as *...que il* or *...de Alain*, though *qu'il* for *qu'il* is tolerated.

Units containing consequential errors are not rewarded.

E.g. *le voiture bleu s'est arrêté* = 0

However, if two marks or more are lost due to a minor error of spelling or a faulty gender, the Examiner should place + in the right hand margin and take it into account when awarding the Impression Mark.

Misspelling of proper nouns in the case of a person's name or a town or place other than a country should be tolerated.

E.g. *...avec Piere* = 1. *...à Lyons* = 1. However, *...en Angleteere* = 0

Allow the use of *tu* or *vous* in informal letters. In the case of inconsistencies, reward the most frequently used. Disallow the use of *tu*, *ton* etc in formal letters. Also disallow glaringly inappropriate register.

Page 10	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

Allow the use of the past historic in narratives in Question 2 and tolerate inconsistencies (with the perfect tense). Disallow obvious accidental past historic, eg *il dit* in isolation. Treat inconsistency with – in the right hand margin. Disallow the past historic in Question 1.

Letter etiquette

Reward with a tick for Language, the use of *Monsieur* or *Madame* at the start of a formal letter. Also award one tick for *Cher Monsieur* or *Chère Madame* in a formal letter and *Cher Alain* etc in an informal letter. Multiple addressees (*Cher Monsieur, Chère Madame*) gain one tick only. Greetings such as *Salut* or *Bonjour* gain ticks in informal letters only and formal endings (*Veillez agréer* etc) do not score in informal letters.

In addition award ticks for Language up to a maximum of 5 for prelearnt preamble such as:

Merci de ta lettre qui m'a fait grand plaisir (Max 5)

Thereafter ignore everything not related to the task set.

NB These *politesses* may occur at the end of the letter. If they do, reward to a maximum of 5.

Do not reward 'letter etiquette' for Language when a letter is not required.

Disallow for Language the use of *tutoiement* in formal letters. Tolerate and accept the use of *vous* in informal letters. In cases of inconsistency with *tu/vous* reward the most frequent.

Letter ending

Allow a maximum of 3 marks for all formal and informal *politesses*

Veillez agréer l'expression de mes salutations distinguées etc
Réponds-moi bientôt. Je t'embrasse. Etc

Mark for language in the normal way up to a maximum of 3 ticks. This is in addition to the marks awarded for the *politesses* described above.

Regard *Je vous remercie d'avance (de...)* as part of the closing *formule*.

Page 11	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

Tolerances

When a verb is governed by multiple subjects, tolerate if either is correct.

E.g. *Le femme et son mari (1) sont partis (1)*

When an adjective or a preposition is dependent on two or more nouns, tolerate if one is correct.

E.g. *Le femme et l'homme étaient (1) fatigués (1)*
...avec (1) le femme et l'homme

When an incorrect subject governs two verbs (each correct), the second is ticked

E.g. *Le femme est sortie et a regardé (1)*

When a sentence begins with *Aussi* which is intended to mean 'Also' it should be ticked. However *Parce que...* (= *puisque*) will not be tolerated at the beginning of a sentence.

No credit is usually given to the occasional correctly spelt item in a sequence which makes no sense in French. However, recognisable discrete items such as *mon père* may be rewarded in such a context.

When the gender of the writer is variable, tick only the most frequent. Always accept the declared gender of the writer when marking agreements and ignore the name on the front of the script and at the end of the letter.

Accept the use of either *tu* or *vous* in informal letters, but do not reward *tu* in formal letters. Do not tolerate inconsistency of *vous* and *tu*. Reward the most frequent.

Reward the use of *excité* and *excitant* to say 'excited'/'exciting' both for communication and language.

Allow *réellement* for *vraiment*.

Accept *fatigué* for communication of a reaction in Question 2.

Disallow for communication *shocké/shockant*, *shoqué/shoquant* and *chocké/chockant*.

Reward both *sympa* and *sympas* as plural forms.

Reward the use of either *c'est* or *il est* in:

Il est (1) possible (1) que (1)... or de (1)... with an infinitive

C'est (1) possible (1) que (1)... or de (1)... with an infinitive

In Question 2 reward as a narrative tense either the perfect or the past historic and tolerate inconsistencies. However do not reward 'accidental past historic' such as *il dit* when all other tenses are perfect tenses.

B NOUNS

A noun with a definite or indefinite article does not score. No credit is given to a noun with a number.

le chien = 0 un oiseau = 0 les enfants = 0 deux maisons = 0 50 francs = 0

A noun may be part of a Marking Unit as illustrated below.

1 Subject + verb = 1

See above in (A): Le garçon est sorti = 1

A faulty gender or a spelling error in the subject noun or pronoun will invalidate the unit:

Le gens or Il sont arrivés = 0 Des professeurs ont... = 0
Cette fromage est (0) bon/bonne (0)

When the relative qui is used after a noun the noun is treated as the subject:

Le monsieur qui (1) parle (1) Le monsieur que parle (1)
Le monsieur qui (1) parle (0)

2 Preposition (+ article) + noun = 1

à Paris = 1 dans la cuisine = 1 avec Paul = 1
au cinéma = 1 à côté (1) de mon ami (2) = 3 pour ce monsieur = 2

A faulty gender or spelling will invalidate the unit

à la village = 0 pour ce monsieur = 0 avec ma frère = 0

avec de la pain = 0

When 'de' is used to indicate possession, the following noun must be correct:

la chambre de Paul (1) / de la dame (1) / du monsieur (1) / des enfants (1) / de la dame (0)

Do not insist on correct gender or spelling of 'chambre': le chamber de la dame = 1
(N.B. This does not apply to the use of 'de' in quantities (see B4, une kilo d'oranges = 0) or an adjectival phrase (see C2, un salle de classe = 0) when each element must be correct.

Page 15	Mark Scheme	Syllabus
	IGCSE – October/November 2012	0685

3 Noun/pronoun + adjective = 1

Le petit bateau = 1 Il est heureux = 2
La petit(e) bateau = 0

de l'argent = 1 Je n'ai plus/pas (2) d'argent (1) = 3

NB de petits villages = 2 des petits villages = 1 (one error)
(Not strictly logical but this seems the kindest way to treat this)
des petites villages = 0 (two errors) de petites villages = 1 (one error)

A noun/pronoun + adjective unit is not invalidated by an adjacent faulty element:
Eg avic mon ami = 1 mon ami arrives = 1 mon ami anglaise = 1

4 Expressions of quantity + noun = 1

Both elements must be correct.

un kilo de cerises = 1 un kilo de pomme = 0 une kilo d'oranges = 0

CONVERSION TABLE

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive qualities, such as unusually good vocabulary or ambitious use of language, or by negative qualities, such as excessive repetition. Indicate positive qualities by a plus sign and negative qualities by a minus sign in the right-hand margin.
