UNIVERSITY OF CAMBRIDGE INTERNATIONAL EXAMINATIONS GCE Advanced Subsidiary Level and GCE Advanced Level

www.papacambridge.com MARK SCHEME for the October/November 2011 question paper

for the guidance of teachers

9700 BIOLOGY

9700/31

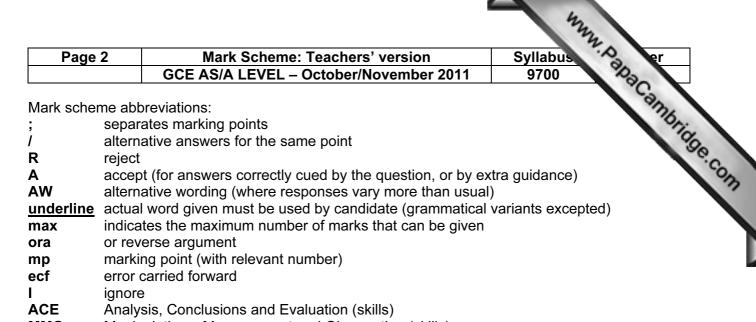

Paper 3 (Advanced Practical Skills 1), maximum raw mark 40

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

Cambridge will not enter into discussions or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2011 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

- MMO Manipulations, Measurement and Observation (skills)
- PDO Presentation of Data and Observations (skills)

						an.
	(ii)					.01
	[1]	table with all cells drawn Al	ND heading (top or left) percent(age) conc(entration)	•		
PDO recording 2		Additional guidance	A no outer boundary A % R if % in body of table Ignore test-tube/additional columns			
PDO P	[1]	(heading below or to right)	time sec(onds)/s; R T or t			
		Additional guidance	R if units in body of table			
N	[1]	records times for at least fo	ur concentrations;			
MMO collection		Additional guidance	A any times as long as with clear units. Must have cm ³ once ecf if mp1 not given for slip and/or if mp2 not giver	n		
90	[1]	any times as whole second	s (numbers) 'less than 601' ;			
M		Additional guidance	A minimum of four recorded times including 'more	than 600'.		
о ^г	[1]	records correct pattern: hig	hest concentration recorded is shorter time than next	t concentration;		
MMO decision 1		Additional guidance	A any values, e.g. seconds with tenths or min:sec A minimum two recorded times including 'more tha	in 600' once		

	(iii)			[1]
		Mark first variable.		
ACE improvement 1	[1]	temperature AND thermosta Additional guidance	 Itically controlled water-bath/AW; R pH A digital or electronic A description of use of heating and cooling with Bunsen or hot and cold water
