General Certificate of Secondary Education January 2013

Construction and the Built Environment

Assessment Unit 1: The Construction Industry for the 21st Century

[GCB11]

WEDNESDAY 9 JANUARY, AFTERNOON

1 hour 30 minutes.

INSTRUCTIONS TO CANDIDATES

Write your Centre Number and Candidate Number in the spaces provided at the top of this page.

Write your answers in the spaces provided in this question paper. Answer **all ten** questions.

Questions 1, 2, 3, 7 and 9 should be answered in relation to the enclosed house drawings and specifications previously issued as pre-release material.

You should not bring any of the material previously issued into this examination.

You will be provided with a clean copy of the pre-release material.

INFORMATION FOR CANDIDATES

The total mark for this paper is 120.

Figures in brackets printed down the right-hand side of pages indicate the marks awarded to each question or part question. Quality of written communication will be assessed in Questions **8** and **10**.

A scale rule is required.
