B(ii).1 Criteria (0 - 1 - 2 marks)	Comment	Page
The candidate comments on the effectiveness of their design sketches and gives some reasons for their choice of which design to develop;		
B(ii).2 Criteria (3 - 4 marks)		
The candidate identifies the strengths and weaknesses of their design proposals, taking account of client feedback, and use these to inform their choice of which design to develop, justifying their decision;		
B(ii).3 Criteria (5 - 6 marks)		Mark
The candidate provides a detailed critical analysis of their design proposals, taking account of client feedback, to inform their choice of which design to develop; they fully justify their choice in relation to the requirements of the brief.		(Max 6)
B(iii).1 Criteria (0 - 1 - 2 marks)	Comment	Page
The candidate shows development of a final product and, in doing so, shows that they can create, capture and develop images, import material from other packages and use object libraries including clip art; the candidate identifies an appropriate printer type, media and resolution;		
B(iii).2 Criteria (3 - 4 marks)		
The candidate shows development of a final product, and, in doing so, shows that they can use a range of ICT tools to create, capture and develop images, import material from other packages and use object libraries including clip art; the candidate details an appropriate printer type, media and resolution;		
B(iii).3 Criteria (5 - 6 marks)		
The candidate shows development of a final product and, in doing so, shows they can use a comprehensive range of ICT tools to create, capture and develop images, import material from other packages and use object libraries including clip art to produce a professional standard of artwork;  the candidate explains their choice of an appropriate printer type, media and resolution.		Mark (Max 6)

B(v).1 Criteria (0 - 1 - 2 marks)  The candidate produces a substantial artwork product that includes appropriate material and meets the requirements of the brief;  B(v).2 Criteria (3 - 4 marks)  The candidate produces a substantial artwork product that shows they can be critical in selecting appropriate material for inclusion, meets the requirements of the		Mark (Max 6)

C.1 Criteria (0 - 1 - 2 - 3 marks)	Comment	Page
<ul> <li>The candidate comments on the effectiveness of the final product, with some overall indication of how the work may be improved;</li> <li>the candidate comments on their actions and role in solving the problem and identify areas for improvement;</li> <li>the candidate's evaluation may contain errors in spelling, punctuation and grammar;</li> </ul>		
C.2 Criteria (4 - 5 - 6 marks)	1	
<ul> <li>The candidate provides an analysis of their final product, identifying the strengths and weaknesses in order to refine the solution;</li> <li>the candidate includes an analysis of their own performance by identifying their strengths and weaknesses, with some suggestions for improvement to the overall process;</li> <li>the candidate's evaluation contains few spelling, punctuation and grammar errors;</li> </ul>		
C.3 Criteria (7 - 8 - 9 marks)	1	
<ul> <li>The candidate provides a full critical analysis of their final product, identifying how well it meets the client brief;</li> <li>the candidate includes an analysis of their own performance by identifying their strengths and weaknesses, together with a reflection on how they could address these issues to be more effective in the future;</li> <li>the candidate's report is consistently well-structured and there are few, if any, spelling, punctuation and grammar errors.</li> </ul>		Mark (Max 9)
Please note: This form may be updated on an annual basis. The current version the OCR website ( <u>www.ocr.org.uk</u> ).	of this form will be available on  MARK  TOTAL	

## **Guidance on Completion of this Form**

- One form should be used for each candidate.
- 2 Please ensure that the appropriate boxes at the top of the form are completed.
- Please enter *specific* page numbers where evidence can be found in the portfolio, and where possible, indicate to which part of the text in the mark band the evidence relates.
- 4 Enter the mark awarded for each strand of the marking criteria in the appropriate box and also enter the final mark in the total column.
- Add the marks for the strands together to give a total out of 50. Enter this total in the relevant box.

Extra Comment (please indicate to which Criteria comments refer)
