TEXT 3

A recent report suggests that more shoppers than ever before are choosing to buy from businesses which are seen to operate in a sustainable and ethical manner.

Theo and Anya are keen to be seen to operate Highgrove Chocolates in an ethical manner in order to attract new customers and keep existing ones. They are considering making changes to the way the business operates. In particular they wish to improve how the raw materials such as milk, sugar and cocoa are sourced and how the chocolates are made, packaged and transported.

Both partners know the importance of considering the interests of all of Highgrove Chocolates' stakeholder groups. This is especially true at the present time because the number of competitors making hand-crafted chocolates is increasing.

3 Refer to TEXT 3.

- (a) Which TWO of the following are likely consequences to a business of NOT making changes? Tick (✓) TWO boxes only. [2]

Consequence to a business	Consequence of not making changes Tick (✓)

TEXT 4

Theo and Anya are aware that economic factors will also have an impact on the future success of Highgrove Chocolates. They believe this is especially true for their business because:

it produces a luxury product

it is still making repayments on a 15-year bank loan

the cocoa and sugar that the business uses is imported from Mexico

imports from Mexico need to be paid for in Mexican currency – the Mexican peso.

4 Refer to TEXT 4.

- (a) Draw a line between each economic factor listed below and the description which applies to it. You should only draw THREE lines. [3]**

**ECONOMIC
FACTOR**

DESCRIPTION

Interest rates

**An increase in the general
price level**

**The number of people
unable to find work**

Inflation

**Goods bought from
foreign countries**

**The cost of borrowing
money**

**Unemployment
level**

**A change in customer
demand**

(b)* Theo and Anya have heard that the following changes in economic factors are predicted to take place in the next few years:

A FALL in interest rates

REDUCED unemployment levels

LOWER inflation.

Analyse how the above THREE changes in economic factors might impact on Highgrove Chocolates. Which of these three factors is likely to have the greatest impact on Highgrove Chocolates? Give reasons for your choice. [10]

[illegible]

(c) (i) State what is meant by the term ‘exchange rate’.

[1]

(ii) Explain how Highgrove Chocolates should REACT to a FALL in the British pound to Mexican peso exchange rate.
